TABLE 1

With 20 years of experience in the organisation and successful management of conferences dedicated to the travel insurance industry, the team behind ITIC knows how to engage with industry professionals.

Our wealth of industry knowledge is supported by our committees, who help to form the agendas for our conferences in different parts of the world. As well as the informative panel sessions and focus groups, the conference offers delegates the opportunity to engage in face-to-face meetings with international colleagues old and new, with organised functions throughout the course of the event, as well as more informal coffee breaks and lunches.

“WE’RE LOOKING FORWARD TO A SUCCESSFUL AND PRODUCTIVE TIME AT ITIC AMERICAS AND WANT TO TAKE THE OPPORTUNITY TO INVITE YOU TO MEET WITH US DURING THE CONFERENCE.”
